

**DIRECTORS CORNER**

**Registration Details**

If your child is headed to 4K for next year, please remember that packets must be returned to the district no later than **March 7, 2014.**

If your child will be taking part in either our 2 or 3-year-old program, you should have already received your registration forms. If you need a new one, let me know. There is a box near my desk that you can turn registration forms in. Registration begins February 3<sup>rd</sup>, but please feel free to turn the forms in early and I will hold them until your scheduled registration day.

Know of other families that might be looking for an opportunity to register their child? Please let them know that they can call me with their information, print the registration form straight from our website or let me know and I can give you extra registration materials for them.

Thank you for choosing our program for your family.

**Upcoming School Referendum**

Coming up in April of this year, the city of Fort Atkinson will be voting on a school referendum. The outcome of this decision could impact our 4K program as well. Please inform yourself and then get out there to vote in April. You can find more information on the school districts website.

**DONATIONS/VOLUNTEERS NEEDED**

\*Mrs. Kopecky now has enough milk jugs! Thank you so much to everyone who brought them in. The children had a blast building their humongous igloo.

\*We are looking for extra clothes. Size 3-6. We are most in need of used pants of all kinds, socks and new/unused underwear.

\*Sometimes we all forget about snack day. If you have some extra non-perishable snacks or juice you could donate, we would love to keep them on hand here at school for those days we need to use an extra snack.

**If you will be joining us for our field trip to the Overture Center coming up in February, watch mailboxes next week for more detailed information! It's going to be a great show!**

Next week looks to be VERY cold again. Remember to watch the news for school closings and if we do have school, don’t forget to dress your child in winter coats, hats and mittens. Even a run from the car can be cold to them! Don’t be afraid to let us know if you are in need of some winter items for your child. We always have plenty of donated items to share!
