

DIRECTORS CORNER

This week, a parent was so kind as to share this important article about winter car seat safety with me. I know I have likely been guilty of this with my own children. Now that the weather is colder and winter coats are coming out, take a minute to review how we can keep our children safe and warm in the car:

As the weather turns colder, this is just a reminder that we follow the Fort Atkinson school district when it comes to school closings. If you see that the district will be having a snow day, PCP will also be closed. If the school district will be closing early, we will have no PM program.

Thank you so much to the family of Kiera Nelson for donating a new riding toy to be used in the gym. Your kindness is greatly appreciated!

For those of you who were at our concert last week, I hope you were able to stop by the Berres Brothers coffee tasting table. They have some amazing flavors! This week you should have found an order form in your child's mailbox for our Berres Brothers Coffee Sale.

This is the second of our three "Family Five Fundraisers" this year. Everyone did an amazing job of helping us reach our "5 ticket goal" at the raffle. There are only two more times this year you will be asked to sell for the school. Please help us reach our goal of 5 bags of coffee per family. We wanted to get the order forms out to you now, as we all know that coffee makes a great holiday gift. In order to get the coffee back before we leave for winter break, we need those order forms in by November 25th. Thank you for your support!
