

# November SCRIP Orders

Back by popular demand, we are participating in SCRIP as a fundraiser for our preschool. For those of you who are new to the preschool, here is a brief explanation of this easy program.

SCRIP is a way to order gift cards and gift certificates from hundreds of different vendors for items that your family may use every day. These cards are available for restaurants, grocery stores, gas stations, retail stores, travel, rental cars, and so much more. Here are a few examples:

**Sentry  
BP Gas  
Chuck E Cheese  
iTunes  
Kohl's**

**Kwik Trip  
Menards  
Shopko  
Pizza Hut  
Applebee's**

**Wal-Mart  
Red Robin  
Walgreens  
Subway  
And so much more...**

SCRIP is a dollar-for-dollar fundraiser where you pay for exactly what you get. And, when you purchase a gift card or certificate, Parent's Cooperative Preschool gets a percentage of the profit. The contribution amounts to the preschool do vary depending upon the vendor you order from. These amounts are shown on the attached order form.

We have made a condensed vendor list to simplify ordering, but we are **NOT** limited to these vendors. There are hundreds of vendors listed online and you can order from any of these vendors at any time. If you make a selection from the online vendor list, just write your additions directly onto the order form.

You can order for yourself, but don't stop there! Order for your friends, your family members, your neighbors, etc. These make great gifts! Orders will be organized into one single purchase and mailed to the preschool within a couple of days from the date the order is placed. Then, we will distribute individual orders to the families! Checks will be held until the order arrives.

There are two SIMPLE ways to order. And, you can use the way that works best for you.
