

Blooming Plant Sale 2012

Dear Families of Parents Cooperative Preschool,

We will be offering spring blooming plants again this year. These are beautiful and full plants. They will make great gifts for Mother's Day. The plants will come to us in several color options. We try our best to fill everyone's request for a specific color but the plants will be set up into sections by plant types and you will be able to pick which plant color you would like when you pick up your order. We will have a copy of this order available on the day of pick up. We will have a few extra plants delivered as well.

Keep in mind you can sell these flowers to friends, family and neighbors. These are coming from HUMPHREY'S and they allow us to sell at a reduced price. The Hanging Geraniums retail for \$50, so we save a significant amount by ordering these now!

Order and money (Checks to PCP) can be turned in now until Monday April 30, 2012. The flowers will be delivered the week of May 7. Mother's Day is May 13!

Please write the full name of the person ordering along with the check number so we can match checks to the order. If the PCP family could write one check to PCP that would be even better! Thank you for your support!

First and Last name	Begonia in a clay pot \$15	Hanging Begonia \$25	Hanging Impatiens \$25	Hanging Geraniums w/Ivy \$30	Total	Check Number (or cash)
