CALENDAR DETAILS

'Taste'giving Feast - The 'Taste'giving Feasts are coming up. Your teacher will have sign-up sheets posted soon. Each family brings a food item to share with friends for the feast. Please keep the food simple and in small portions. You can send in disposable or reusable containers with your name on it. Some teachers may need extra help for clean-up at the end of the meal. On those dates, we will also continue our old tradition of charity and have a box out in the hallway by the classrooms for donations of non-perishable food items for the local food pantry. The food pantry is in serious need of donations. Please consider bringing a food item or two the day of the feast to donate. Thank you!

Scholastic - due Thursday, Nov. 17. Checks can be made out to Scholastic. Online orders : www.scholastic.com/bookclubs click "parent." Class activation code: HDT78.

FUNDRAISERS

We try to have all of our fundraising efforts be opportunities or products that our families need or enjoy. All fundraisers are optional and you can choose which one works for you. Participation is appreciated as it helps us keep tuition low and funds special purchases or fun events for the children.

Poinsettias and Pies - We will be selling poinsettias from Humphrey's Floral and Gifts and pie gift certificates from Poyer's Farm Market. These make great gifts. Look for information coming home soon.

Scrip Orders - Scrip orders will also be coming home soon. Families can purchase gift cards/gift certificates from local businesses and the preschool gets a small percent. It's a dollar for dollar fundraiser; you get back every dollar you put in and the preschool benefits from a percentage kickback. Perfect for holiday gifts!

Artsonia - Keep turning in that cute artwork! We are still taking some pictures at school. The holidays are coming soon and the items at Artsonia make perfect gifts with your child's artwork on it! Holiday cards are on sale right now!

Dave will also have CD's available for sale, including his new one, Rocket to the Moon! Check out his website <http://www.happytrails.biz/>

NOTES

Illness - The state statues that we must follow require that children attending preschool have not had the following within 24 hours: fever, diarrhea, and vomiting. So, if they have a fever in the evening but feel better the next morning, they cannot come to school. Also, if your child becomes infected with a communicable disease, (influenza, impetigo, strep throat, conjunctivitis (pink eye), hand, foot and mouth disease, etc.) you must inform the preschool and your child must be on medicine for 24 hours before coming back to school. Also, state regulations require that children must use soap and water to wash hands at school, not hand sanitizer. Thank you for your cooperation!

Extra Clothing - Please be sure to send extra, weather-appropriate clothing in your child's backpack daily. Also, if you have any extra pants or shirts sizes, 2T- 5 you'd like to donate to the preschool for our "extra" bin, we would appreciate it! Thank you.

Late Fee - Please automatically add \$5 to tuition that is after the 12th of the month. Our accounting software automatically adds a late fee to unpaid accounts starting on the 13th. If you know you will need to pay late for any reason, just let us know in advance.

Thank you - to the Hadler's for the Gourds for 4K!

Thank you - to the Smiley's for the Pumpkins for Room 3!

Thank you - to Ryan Klopoc and Richelle Rottman for the "restaurant guest checks" for Room 3!
