

Parents Cooperative Preschool Registration Procedures 2024-2025 School Year

General 2K and 3K registration opens January 29, 2024, based on the number value of family points.

You receive a point for every child, for every year they attended 2K, 3K or 4K at PCP. For example: 1 child/1 year = 1 point, 3 children/3 years = 9 points. The points for your family are written on the enrollment sheet attached. Please locate your points and find the date you are able to register. Any discrepancies in your point value should be reported.

All 2K and 3K registration is done on a first-come, first-serve basis. On the day you are able to register, the earlier you turn in your forms, the better chance you will have to get the spot you want. If parents would like to turn in registration forms and checks early, the director will hold your forms until the day you are slotted for. This is true for new families as well. Registration forms can be mailed or dropped off. **Checks will be held until registration is complete.**
