Schuster's Farm is an educational adventure farm. There are animals to see, including donkeys, miniature horses, llamas, alpacas, calves, sheep, goats, piglets, cats, peacocks, rabbits, chickens, geese, and ducks. We ask that a responsible adult accompany the children in your family. This is a family trip so siblings, grandparents & friends are welcome.

Even if the weather is fairly nice, remember that it can get quite chilly in the mornings as Fall approaches, so be sure dress in layers.

If it's raining, we will cancel the trip and try to reschedule.

By signing the permission slip below, you are agreeing that you have read and understand the following rules from Schuster's Farm: Adults must stay with your child at all times. Please be respectful of all animals and property of the farm. Please act responsibly and safe at our farm. Adults need to keep all children close at hand, oversee their activities at all times and watch for their safety around animals, and activities.
